

jetStamp® 990

- ✓ Ideal for small areas
- ✓ Suitable for flat and curved surfaces
- ✓ Integrated LCD display
- ✓ Easy operation directly on the device
- ✓ Fast imprint
- ✓ Max. imprint size: 2 lines of 20 characters, each 42 × 3.2 mm (W x H)

The easy way to get started with mobile direct printing

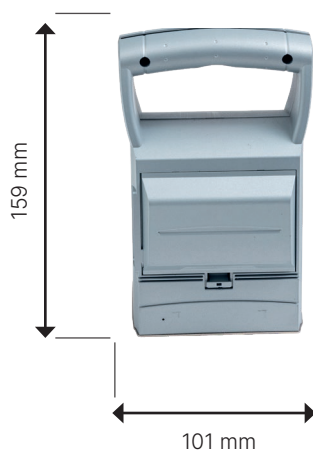

Lightning fast and particularly handy thanks to its compact dimensions – that's the REINER jetStamp® 990.

With the smallest device in the jetStamp family, markings can be made quickly and easily on all flat and uneven surfaces.

The integrated LCD display shows the set print image clearly at all times to avoid marking errors.

The self-propelled print carriage enables highly precise positioning on the product.

The robust jetStamp 990 offers absolute flexibility thanks to its memory options. Up to 25 individual texts or special functions can be stored.

Technical specifications

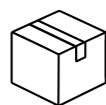

Feature	Specification
Printing process	Inkjet (TIJ)
Imprint contents	Text, numbers, date, time
Max. imprint size (W × H)	42 × 8 mm
Number of lines	Up to 2 lines, max. 20 characters per line (font: narrow), each 42 × 3.2 mm

Print speed	< 1 second per impression
Storable print images	Up to 25
Type of operation	Mobile, flexible
Operation	Printing at the touch of a button
Advertisement	With Display
Print image creation	PCset
Data transmission	USB, Bluetooth
Device dimensions (L × W × H)	100 × 80 × 160 mm
Base station dimensions (L × W × H)	115 × 145 × 35 mm
Weight	approx. 500 g
Battery configuration	2 × AA rechargeable battery
Battery capacity	Over 2,000 prints
Order number	990 000-000 (jetStamp® 990 including case)

Surfaces & Materials

The device is suitable for direct marking on various surfaces and materials. The print quality and adhesion depend on the material properties, surface, and ink used.

Paper

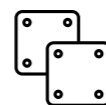

Cardboard

Wood

Plastic

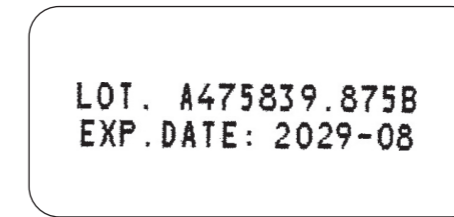

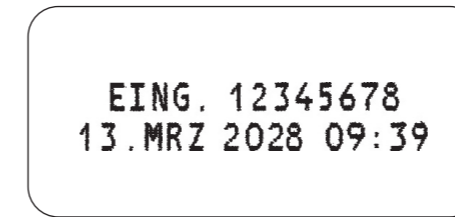

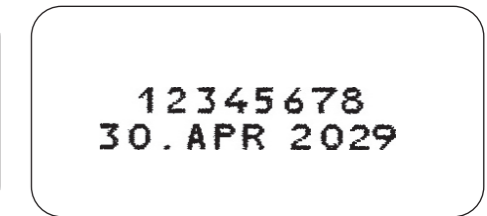

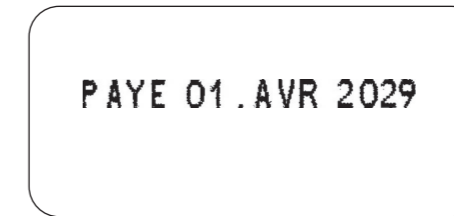

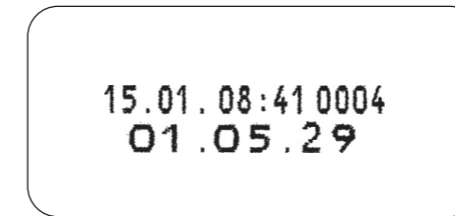

Metal

Glass

Sample impressions

Text and numbers can be printed on two lines, with 20 characters per line.

Ink cartridges

A range of inkjet cartridges is available for the jetStamp® 990. The right cartridge depends on the surface and material to be printed.

Ink cartridge P1-S-BK

For absorbent surfaces

Materials:

- Wood
- Cardboard
- Stone
- Paper

Ink color: Black

Order no.: 801 307-000

Ink cartridge P1-MP3-BK

For non-absorbent surfaces

Materials:

- Plastic
- Metal

Ink color: Black

Order no.: 791 060-020

Ink cartridge P1-MP4-BK

For smooth, non-absorbent surfaces

Materials:

- Plastic
- Metal
- Glass

Ink color: Black

Order no.: 791 060-030

Ink cartridge P1-MP6-YE

For non-absorbent surfaces

Materials:

- Plastic
- Metal
- Glass

Ink color: Yellow

Order no.: 791 060-040

Ink cartridge P1-EF-AUB

For absorbent surfaces (3-pack)

Materials:

- Eggshells
- Paper
- Cardboard

Ink color: Eggplant

Order no.: 791 050-100

Ink cartridge P1-EF-RD

For absorbent surfaces (3-pack)

Materials:

- Eggshells
- Paper
- Cardboard

Ink color: Pink

Order no.: 791 050-101

Accessories

The right accessories expand the device's range of applications and provide greater flexibility in everyday work.

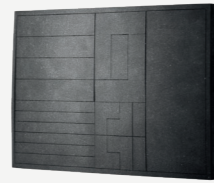

Positioning

Precision-Clip CAP990

Precision clip for exact printing positions and consistently high print quality.

Order no.: 990 410-000

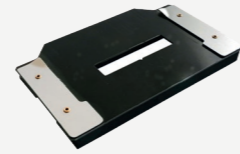

Positioning

Positioning Mat

For improved positioning and consistent impressions on small and curved objects.

Order no.: 1037 210-000

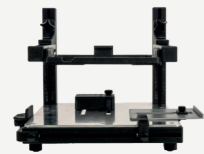

Positioning

Positioning Plate

Precise print positioning on curved and delicate surfaces, such as eggs, bottles, or tubes.

Order no.: 794 030-100

Automation

Packaging Print Station PS100

Stationary system for reproducible packaging labeling.

Order no.: 1034 010-000

Automation

Paper Print Station PS04

Automatic printing device for consistent and precise document marking.

Order no.: 796 205-100

Automation

Foot switch

External pressure activation by foot or hand for hands-free operation.

Order no.: 381 050-005

More information about the product online

Automation

Holding Arm

Flexibly adjustable support arm for a precise and stable printing position.

Order no.: 1037 270-000

Transportation & Storage

jetSafe BASIC Case

Safe transport and orderly storage of your jetStamp® device.

Order no.: 1037 010-100

Consumables

AA battery – rechargeable (1 piece)

Reliable power for extended mobile use. 2 pieces are required for jetStamp® 990.

Order no.: 946 192-100
